Participating in community awareness events, proclamation signings, working with our subgrantees to reach out to government and non-profit agencies to support such causes.

Please describe any notable activities at the grantee level during the reporting period that improved delivery of victim services.

N/A

Please describe any notable activities at the grantee level during the reporting period that improved delivery of victim services.

Providing resources to improve the capacity of service providers.

Please discuss each priority (i.e., child abuse, domestic assault, sexual assault, and underserved) in which VOCA funds have been used to assist crime victims during the reporting period

Data collected by our subgrantees is submitted quarterly to our agency and submitted onto the PMT. This is then uploaded onto the GMS through the PDF generated annually.

Please discuss each priority (i.e., child abuse, domestic assault, sexual assault, and underserved) in which VOCA funds have been used to assist crime victims during the reporting period

The Supervisory Council made certain to award sub grant recipients following the guidelines provided by OVC. The funding allotted ensures that each of these priorities, i.e., child abuse, domestic assault, sexual assault, and underserved, are addressed and that crime victims are provided with the needed assistance available to them.

Please briefly describe efforts taken to serve Victims of Federal crime during the reporting period.

Our sub grantees provide services to any and all victims of crime, which include victims of federal crime, to the best of their ability. If they are unable to provide certain services, they reach out to other agencies that have the capacity to provide the service and refer the victims accordingly.

Please briefly describe efforts taken to serve Victims of Federal crime during the reporting period.

Our subgrantees assist victims of federal crime in any way they are able to. This includes immigration relief, interpreter services, shelter, etc...,

Please identify any emerging issues or notable trends affecting crime victim services in your state during the reporting period.

N/A

Please briefly outline any staffing retention issues that your victim assistance program has and why these issues may occur during the reporting period.

N/A

Please explain your state process to publicize its victim assistance funding for services to victims of crime during the reporting period.

A newspaper advertisement for availability of funding to solicit proposals is conducted three times within a two week span. The advertisement contains information about the funding, program and financial requirements. Our office also sends out emails to current and previous subgrantees to inform them of the opportunity.

Please explain how your state is able to direct funding to new/underserved populations during the reporting period.

Funding for underserved populations is guaranteed through the OVC guidelines. As a result, the Supervisory Council has made available and awarded funds to this category.

Please explain how your state is able to direct funding to new/underserved populations during the reporting period.

Through our subgrantees, they may reprogram funds if it is determined that funds are needed to serve the identified populations. Additionally, if our office has available funds, we are able to redirect funding as necessary.

Please explain how your program is able to respond to gaps in services during the reporting period.

Networking and collaborating with other agencies to fulfill the identified gaps.

Please explain how your program is able to respond to gaps in services during the reporting period.

Office for Victims of Crime - Performance Measurement Tool (PMT)

Working closely with our subgrantees and through the quarterly reports, our office is able to determine if any gaps in services exist. A needs assessment may be conducted to further gather information to address this matter.

Please list and explain any outcome measure(s) that are reported to the governor, legislature, or other state entity during the reporting period.

An annual report is produced utilizing the data collected and submitted to the Governor. This annual report provides significant information on the work our subgrantees perform to assist crime victims and is useful in assisting the governor and/or legislature when making informed decisions on the issues of domestic violence, sexual assault, human trafficking, etc....
