OVC Mission Statement

OVC is committed to enhancing the Nation’s capacity to assist crime victims and to providing leadership in changing policies and practices to promote justice and healing for all victims of crime.
Purpose (Pg. 5)

OVС is seeking applications to support transitional and short-term housing assistance with support services for victims of human trafficking throughout the United States.
Eligibility (Pg. 1)

- Eligible applicants are:
  - states and territories,
  - local government,
  - Indian tribes,
  - Nonprofit, nongovernmental victims’ service organizations.
Eligibility (cont.) (Pg.1)

• OVC will consider applications under which two or more entities would carry out the federal award; however, only one entity may be the applicant. Any others must be proposed as subrecipients (subgrantees).

• All recipients and subrecipients must forgo any profit or management fee.

• Nonprofit organizations that hold money in offshore accounts for the purpose of avoiding paying the tax described in 26 U.S.C. § 511(a) are not eligible to apply.
A person who has been subjected to a “severe form of trafficking in persons,” which, as defined in 22 U.S.C. § 7102(11), means—

- sex trafficking in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such an act has not attained 18 years of age; or

- the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.
Project Purpose(s) (Pg. 5)

- Transitional housing, including funding for the operating expenses of a newly developed or existing transitional housing program;
- Short-term housing assistance, including rental or utilities payment assistance and assistance with related expenses, such as payment of security deposits and other costs incidental to relocation to housing.
Transitional housing assistance is temporary housing offered for at least 6 months and no more than 24 months that helps victims transition into permanent housing.

Transitional housing is not an extended shelter stay.
• Short-term housing assistance is rental assistance and/or other financial assistance (e.g., security deposits, utility assistance, relocation costs, etc.) offered for at least 6 months and no more than 24 months that helps victims transition into permanent housing.

• Short-term housing assistance is not emergency shelter, rental assistance offered for less than 6 months, or financial assistance for victims not provided with housing.
Projects must also include support services designed to enable victims of human trafficking and any dependents to—

- locate and secure permanent housing;
- secure employment; and
- integrate into a community by providing victims and dependents with services, such as transportation, counseling, child care services, case management, and other assistance.
Projects cannot condition receipt of housing assistance upon participation in any or all of the support services offered.
Limited Use of Funds (Pg. 6)

Activities can be supported in limited circumstances—

• Legal Services

• Purchase and/or Lease of Vehicles

• Services for Children
• Offer support services to trafficking victims receiving housing and their dependents.

• Offer follow-up support services for trafficking victims who secure permanent housing. Follow-up services are limited to advocacy, support groups, case management, and minimal financial assistance (e.g., security deposit or first month’s rent for permanent housing).

• Agree to provide housing to clients without requiring participation in support services.
Program Requirements (Pg. 7-8)

• Submit the policies and procedures governing the provision of housing and related support services for review and approval (post award).

• Ensure that any staff, partner staff, or service providers working with trafficking victims are trained to work with such victims, including by accessing OVC-supported training and technical assistance.

• Send the project coordinator and one other key staff member to an in-person OVC grantee orientation and have relevant staff participate in OVC-sponsored training and technical assistance.
Goal (Pg. 7)

Provide safe, stable housing and appropriate services to victims of human trafficking.
Objectives (Pg. 7)

1. Provision of housing interventions to victims of human trafficking and related support services;

2. Collaboration with, and training for, local partners (e.g., housing and service providers, community and faith-based organizations) to ensure trafficking victims are properly identified and referred for appropriate housing and services;

3. Assistance or referrals to other essential services for victims of human trafficking;

4. Improvement of outcomes for victims of human trafficking by providing support services; and

5. Data collection and participation in evaluation activities to determine if the program is meeting stated goals and objectives.
Other Considerations (Pgs. 7-8)

• U.S. government funds cannot be used to promote, support, or advocate the legalization or practice of prostitution as a legitimate form of work.

• Coordinating with law enforcement – grantees are strongly encouraged to assist clients in complying with reasonable requests from law enforcement; however, a victim’s willingness to collaborate with law enforcement is not a condition to access services.

• Letters of Support from law enforcement and/or prosecutorial agencies – at least 1 must be provided
• OVC expects to make up to 27 awards.
• Award amount may be up to $500,000 each.
• Total anticipated to be awarded may be up to $13.5 million.
