# FY 2018 2019 National Crime Victims' Rights Week Resource Guide CFDA # 16.582

## A. Program Description

### Overview

This cooperative agreement will support the development of a comprehensive Resource Guide for use by the victim services field when planning for local National Crime Victims' Rights Week (NCVRW) events across the nation in April 2019, and throughout the year.

**Statutory Authority:** This project is authorized by 34 U.S.C. § 20103(c)(1)(A).

### Project-Specific Information

Each April since 1981, NCVRW has been formally designated and commemorated at the federal level. The federal observance coincides with rallies, vigils, and public education campaigns staged in communities throughout the nation. The widespread observance of the event presents a unique opportunity to articulate a consistent and unified message about the plight of our nation's crime victims, and to draw attention to the work of advocates and activists who assist them.

Since 1986, the NCVRW Resource Guide has been developed to assist victims, survivors, advocates, and communities in planning and preparing for their own local commemoration of NCVRW each spring. The Resource Guide is released each winter so that the victim services' field can begin planning for local NCVRW events to be held during the month of April. The Resource Guide includes valuable information on how to develop a public awareness campaign and use social media effectively; how to work with the media and develop partnerships to expand the reach of the campaign; statistical overviews on a wide range of crime victimization topics; important landmarks impacting the victims' field over the past three decades; and also includes a variety of camera-ready public awareness posters and other customizable artwork templates. The Office for Victims of Crime (OVC) strives each year to enhance the content within the Resource Guide to address the changing needs of the crime victims' field.

Beginning in 2004, OVC includes an NCVRW theme video that illustrates the year's theme. The NCVRW theme is selected by OVC with input from national victim service organizations throughout the country and the victims' field as a whole. The theme changes annually to reflect current issues facing crime victims and the victims' field, or to commemorate major milestones important to the crime victims' rights movement. The theme directs the look and feel of the Resource Guide. Artwork is developed to convey the theme of NCVRW each year. In 2011, OVC improved access to the camera-ready artwork in the Resource Guide, in both color and in black and white. This artwork may be used to develop promotional materials such as buttons, stickers, and posters. Since 2016, the Resource Guide has been available in an electronic format, accessible through [www.ovc.gov/ncvrw](http://www.ovc.gov/ncvrw), in English and Spanish. The availability of the Resource Guide content in a portable electronic format facilitates easy access from any computer. Through this cooperative agreement, OVC will continue its efforts to provide this resource to the victims' field to aid community efforts to generate greater awareness among crime victims, survivors, and allied professionals about victims' rights and services.

## **Goals, Objectives, and Deliverables**

The goal is to produce a comprehensive Resource Guide that will help the victims' advocacy field to increase public awareness of crime victim issues nationwide during NCVRW in April 2019, and throughout the year, and begin preparations for the 2020 NCVRW theme narrative. Ready-made and adaptable, the Resource Guide contains materials such as public awareness posters, model speeches, a sample proclamation, public service announcements, camera-ready artwork, and crime victimization statistical overviews for use by the victims' field when planning local NCVRW events throughout the nation.

OVC will make one award through a cooperative agreement to—

1. develop a theme narrative for 2020.
2. conceptualize, develop, and produce a user-friendly Resource Guide for victim service providers, victim advocates, allied professionals, and the general public to use in 2019.
3. develop and produce a complementary theme video to use in 2019.

OVC will provide the successful applicant with the approved 2019 theme and theme narrative and the 2020 NCVRW theme to prepare the theme narrative. The 2019 theme will be reflected throughout the 2019 Resource Guide and theme video. All content shall be developed for online dissemination to the crime victims' field.

The applicant awarded funding under this cooperative agreement will work in close coordination and consultation with OVC in all aspects of the development of the Resource Guide. The applicant must consider the following tasks when developing the project design and implementation plan for this project:

1. Develop and submit a written narrative which explains the message of the NCVRW theme as selected or provided by OVC.
2. Create corresponding camera-ready artwork for the annual NCVRW theme. This entails working closely with designated OVC staff, in development of artistic concepts that graphically depict the NCVRW theme as identified by OVC, to be used for the theme poster and collateral Resource Guide materials. The applicant should plan to submit a minimum of three distinct and original comprehensive illustrations or photographs that graphically depict the theme. Photographs can be the applicant's original photographs, photographs that are in the public domain (and without trademarks), or photographs that are available for purchase. The applicant should plan for a minimum of three rounds of designs and revisions to the original concepts, as requested by OVC.
3. Develop, produce, and deliver a high-quality NCVRW Theme Video. This task will include the development of a creative plan; identification of key people and events to interview and videotape; contacting individuals and programs to be featured in the videos to discuss production plans and to schedule photography, filming, and interviewing schedules; exploration of additional resources for images and sound to produce a compelling NCVRW Theme Video; and filming, including commissioning photographers or video crews to shoot new photographs and footage and collecting existing photographs and licensed stock footage.
4. Attend regular meetings with OVC project staff to review and discuss NCVRW Resource Guide components and content.

5. Develop a detailed week-by-week time-task plan with steps for program development, implementation, and evaluation that designates staff responsible for the implementation of each task. The plan shall include all major tasks (e.g., project kickoff meeting; competitive bid processes for printing, replication, Spanish translation, and copyediting of all Resource Guide materials; public awareness poster development, design, and presentation to OVC; Resource Guide content development; OVC review and feedback on all Resource Guide content; theme video development and editing, script delivery and review by OVC, and rough cut screening with OVC; and evaluation of the usefulness of the Resource Guide by users). OVC anticipates that all final content will be delivered to OVC by **November 30, 2018**; however, the actual date may vary depending on the date of the grant award. Final content shall be delivered to OVC in a format that is suitable for posting on OVC's website. Close coordination with OVC is required on all aspects of the Resource Guide development.
6. Create a development outline that includes all the proposed Resource Guide's components, in English and Spanish, and the delivery of all final materials to OVC (including Web-ready files).
7. Develop the written content of the Resource Guide, which may include items such as webpage introductory copy for the online version and a sample speech, proclamation, press release, and public service announcements. All final written material must be professionally edited prior to its submission.
8. Based on usage and download trends since 2012, the grantee will make a recommendation for translating components of the Resource Guide from English to Spanish, such as collateral material and theme video subtitles. Through a competitive process, the grantee will identify and contract with a translation services organization to conduct the translation and copyediting of all translated text. The copyediting will ensure the translated text is culturally appropriate, as opposed to providing a literal translation of all materials from English to Spanish.
9. Provide information and examples on how the field can use the contents of the Resource Guide throughout the year for the observance of other victim-related proclaimed days, weeks, or months (e.g., Domestic Violence Awareness Month, National Child Abuse Prevention Month, National Day of Remembrance for Murder Victims, etc.).
10. In consultation with OVC, obtain an NCJ number for inventory purposes, barcode, and corresponding graphic artwork from OVC to be incorporated into the final design of the (22" x 28") NCVRW theme poster. Also, if necessary, obtain a separate NCJ number and corresponding barcode (for inventory purposes) to be used on all shipping and packing materials sent to OVC's distribution warehouse.
11. Deliver camera-ready Resource Guide files and 508-compliant PDF files to OVC for posting to the Resource Guide website for download by the field. The content developer must also provide alternative tag descriptions for any images, charts, or other graphics that appear throughout the Resource Guide. Close coordination with OVC or its designee is required for this task.
12. Develop an evaluation to measure Resource Guide user satisfaction that includes a plan for soliciting feedback. The evaluation should also capture ways in which both the Resource Guide and the theme video were used by the field to heighten public

awareness of crime victims' issues. The grantee is encouraged to consider developing an online form to capture the evaluation data. The reportable data must be analyzed and summarized prior to submission to OVC.

13. Print, duplicate, or replicate up to 10,000 copies of the 2019 Resource Guide Theme Poster (22" x 28") and awareness posters. All associated printing and replication costs should be reflected in the Budget Detail Worksheet and Budget Narrative. The applicant also will be responsible for ensuring the proper shipment of all final Resource Guide products to OVC's warehouse, where they will then be disseminated to the field.
14. Conduct a patent search on the new NCVRW theme and artwork.

The Goals, Objectives, and Deliverables are directly related to the performance measures that demonstrate the results of the work completed, as discussed in [Section D. Application and Submission Information](#), under Program Narrative.

### **Evidence-Based Programs or Practices**

OJP strongly emphasizes the use of data and evidence in policymaking and program development in criminal justice, juvenile justice, and crime victim services. OJP is committed to—

- improving the quantity and quality of evidence OJP generates;
- integrating evidence into program, practice, and policy decisions within OJP and the field;
- improving the translation of evidence into practice.

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence, generally obtained through one or more outcome evaluations. Causal evidence documents a relationship between an activity or intervention (including technology) and its intended outcome, including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible, alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based.

The OJP CrimeSolutions.gov website at <https://www.crimesolutions.gov> is one resource that applicants may use to find information about evidence-based programs in criminal justice, juvenile justice, and crime victim services.

### **Information Regarding Potential Evaluation of Programs and Activities**

The Department of Justice has prioritized the use of evidence-based programming and deems it critical to continue to build and expand the evidence informing criminal and juvenile justice programs to reach the highest level of rigor possible. Therefore, applicants should note that the Office of Justice Programs may conduct or support an evaluation of the programs and activities funded under this solicitation. Recipients and subrecipients will be expected to cooperate with program-related assessments or evaluation efforts, including through the collection and provision of information or data requested by OJP (or its designee) for the assessment or evaluation of any activities and/or outcomes of those activities funded under this solicitation. The information or data requested may be in addition to any other financial or performance data already required under this program.

## B. Federal Award Information

OVC expects to make one award of up to \$400,000. OVC expects to make the award for an 18-month period of performance, to begin on October 1, 2018.

OVC may, in certain cases, provide additional funding in future years to awards made under this solicitation, through continuation awards. In making decisions regarding continuation awards, OJP will consider, among other factors, the availability of appropriations, when the program or project was last competed, OJP's strategic priorities, and OJP's assessment of both the management of the award (for example, timeliness and quality of progress reports), and the progress of the work funded under the award.

All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.

### Type of Award

OVC expects to make any award under this solicitation in the form of a cooperative agreement, which is a type of award that provides for OJP to have substantial involvement in carrying out award activities. See [Administrative, National Policy, and Other Legal Requirements](#), under [Section F. Federal Award Administration Information](#), for a brief discussion of what may constitute substantial federal involvement.

### Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities<sup>1</sup>) must, as described in the Part 200 Uniform Requirements<sup>2</sup> as set out at 2 C.F.R. 200.303:

- (a) Establish and maintain effective internal control over the Federal award that provides reasonable assurance that [the recipient (and any subrecipient)] is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award. These internal controls should be in compliance with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States and the "Internal Control Integrated Framework," issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
- (b) Comply with Federal statutes, regulations, and the terms and conditions of the Federal awards.
- (c) Evaluate and monitor [the recipient's (and any subrecipient's)] compliance with statutes, regulations, and the terms and conditions of Federal awards.

---

<sup>1</sup> For purposes of this solicitation, the phrase "pass-through entity" includes any recipient or subrecipient that provides a subaward ("subgrant") to a subrecipient (subgrantee) to carry out part of the funded award or program. Additional information on proposed subawards is listed under [What an Application Should Include](#), Section D of this solicitation.

<sup>2</sup> The "Part 200 Uniform Requirements" means the DOJ regulation at 2 C.F.R Part 2800, which adopts (with certain modifications) the provisions of 2 C.F.R. Part 200.

- (d) Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
- (e) Take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or pass-through entity designates as sensitive or [the recipient (or any subrecipient)] considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

To help ensure that applicants understand the applicable administrative requirements and cost principles, OJP encourages prospective applicants to enroll, at no charge, in the DOJ Grants Financial Management Online Training, available at <https://ojpfgm.webfirst.com/>. (This training is required for all OJP award recipients.)

Also, applicants should be aware that OJP collects information from applicants on their financial management and systems of internal controls (among other information) which is used to make award decisions. Under [Section D. Application and Submission Information](#), applicants may access and review a questionnaire—the [OJP Financial Management and System of Internal Controls Questionnaire](#)—that OJP requires **all** applicants (other than an individual applying in his/her personal capacity) to download, complete, and submit as part of the application.

## **Budget Information**

### **Cost Sharing or Matching Requirement**

This solicitation does not require a match. However, if a successful application proposes a voluntary match amount, and OJP approves the budget, the total match amount incorporated into the approved budget becomes mandatory and subject to audit.

For additional information on cost sharing and match, see the DOJ Grants Financial Guide at <https://ojp.gov/financialguide/DOJ/PostawardRequirements/chapter3.3b.htm>.

### **Pre-Agreement Costs (also known as Pre-Award Costs)**

Pre-agreement costs are costs incurred by the applicant prior to the start date of the period of performance of the federal award.

OJP does **not** typically approve pre-agreement costs; an applicant must request and obtain the prior written approval of OJP for all such costs. All such costs incurred prior to award and prior to approval of the costs are incurred at the sole risk of the applicant. (Generally, no applicant should incur project costs *before* submitting an application requesting federal funding for those costs.) Should there be extenuating circumstances that make it appropriate for OJP to consider approving pre-agreement costs, the applicant may contact the point of contact listed on the title page of this solicitation for the requirements concerning written requests for approval. If approved in advance by OJP, award funds may be used for pre-agreement costs, consistent with the recipient's approved budget and applicable cost principles. See the section on Costs Requiring Prior Approval in the DOJ Grants Financial Guide at <https://ojp.gov/financialguide/DOJ/index.htm> for more information.

### **Limitation on Use of Award Funds for Employee Compensation; Waiver**

With respect to any award of more than \$250,000 made under this solicitation, a recipient may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any

employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year.<sup>3</sup> The 2018 salary table for SES employees is available on the Office of Personnel Management website at <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/salary-tables/18Tables/exec/html/ES.aspx>. Note: A recipient may compensate an employee at a greater rate, provided the amount in excess of this compensation limitation is paid with nonfederal funds. (Nonfederal funds used for any such additional compensation will not be considered matching funds, where match requirements apply.) If only a portion of an employee's time is charged to an OJP award, the maximum allowable compensation is equal to the percentage of time worked times the maximum salary limitation.

The Assistant Attorney General for OJP may exercise discretion to waive, on an individual basis, this limitation on compensation rates allowable under an award. An applicant that requests a waiver should include a detailed justification in the budget narrative of its application. An applicant that does not submit a waiver request and justification with its application should anticipate that OJP will require the applicant to adjust and resubmit the budget.

The justification should address, in the context of the work the individual would do under the award, the particular qualifications and expertise of the individual, the uniqueness of a service the individual will provide, the individual's specific knowledge of the proposed program or project, and a statement that explains whether and how the individual's salary under the award would be commensurate with the regular and customary rate for an individual with his/her qualifications and expertise, and for the work he/she would do under the award.

#### **Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs**

OJP strongly encourages every applicant that proposes to use award funds for any conference, meeting, or training-related activity (or similar event) to review carefully—before submitting an application—the OJP and DOJ policy and guidance on approval, planning, and reporting of such events, available at

<https://www.ojp.gov/financialguide/DOJ/PostawardRequirements/chapter3.10a.htm>. OJP policy and guidance (1) encourage minimization of conference, meeting, and training costs; (2) require prior written approval (which may affect project timelines) of most conference, meeting, and training costs for cooperative agreement recipients, and some conference, meeting, and training costs for grant recipients; and (3) set cost limits, which include a general prohibition of all food and beverage costs.

#### **Costs Associated With Language Assistance (if applicable)**

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. Reasonable steps to provide meaningful access to services or benefits may include interpretation or translation services, where appropriate.

For additional information, see the "Civil Rights Compliance" section under "[Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2018 Awards](#)" in the OJP Funding Resource Center at <https://ojp.gov/funding/index.htm>.

---

<sup>3</sup> OJP does not apply this limitation on the use of award funds to the nonprofit organizations listed in Appendix VIII to 2 C.F.R. Part 200.

## C. Eligibility Information

For eligibility information, see title page.

For information on cost sharing or match requirements, see [Section B. Federal Award Information](#).

## D. Application and Submission Information

### What an Application Should Include

This section describes in detail what an application should include. An applicant should anticipate that failure to submit an application that contains all of the specified elements may negatively affect the review of its application; and, should a decision be made to make an award, it may result in the inclusion of award conditions that preclude the recipient from accessing or using award funds until the recipient satisfies the conditions and OJP makes the funds available.

Moreover, an applicant should anticipate that an application that OJP determines is nonresponsive to the scope of the solicitation, or that OJP determines does not include the application elements that OVC has designated to be critical, will neither proceed to peer review, nor receive further consideration. For this solicitation, OVC has designated the following application elements as critical: Program Narrative, Budget Detail Worksheet and Budget Narrative, Resumes of Key Personnel, and Time-Task Plan. An applicant may combine the Budget Narrative and the Budget Detail Worksheet in one document. However, if an applicant submits only one budget document, it must contain **both** narrative and detail information. Please review the “Note on File Names and File Types” under [How To Apply](#) to be sure applications are submitted in permitted formats.

**NOTE:** OJP has combined the Budget Detail Worksheet and Budget Narrative in a single document collectively referred to as the Budget Detail Worksheet. See “Budget Information and Associated Documentation” below for more information about the Budget Detail Worksheet and where it can be accessed.

*OJP strongly recommends that applicants use appropriately descriptive file names (e.g., “Program Narrative,” “Budget Detail Worksheet,” “Timelines,” “Memoranda of Understanding,” “Resumes”) for all attachments. Also, OJP recommends that applicants include resumes in a single file.*

Please review the “Note on File Names and File Types” under [How To Apply](#) to be sure applications are submitted in permitted formats.

### 1. Information To Complete the Application for Federal Assistance (SF-424)

The SF-424 is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. Grants.gov and the OJP Grants Management System (GMS) take information from the applicant’s profile to populate the fields on this form. When selecting “type of applicant,” if the applicant is a for-profit entity, select “For-Profit Organization” or “Small Business” (as applicable).

To avoid processing delays, an applicant must include an accurate legal name on its SF-424. On the SF-424, current OJP award recipients, when completing the field for “Legal Name” (box 8a), should use the same legal name that appears on the prior-year award document (which is also the legal name stored in OJP’s financial system). Also, these recipients should enter the Employer Identification Number (EIN) in box 8b exactly as it appears on the prior-year award document. An applicant with a current, active award(s) must ensure that its GMS profile is current. If the profile is not current, the applicant should submit a Grant Adjustment Notice (GAN) updating the information on its GMS profile prior to applying under this solicitation.

A new applicant entity should enter its official legal name in box 8a, its address in box 8d, its EIN in box 8b, and its Data Universal Numbering System (DUNS) number in box 8c of the SF-424. A new applicant entity should attach official legal documents to its application (e.g., articles of incorporation, 501(c)(3) status documentation, organizational letterhead, etc.) to confirm the legal name, address, and EIN entered into the SF-424. OJP will use the System for Award Management (SAM) to confirm the legal name and DUNS number entered in the SF-424; therefore, an applicant should ensure that the information entered in the SF-424 matches its current registration in SAM. See the [How To Apply](#) section for more information on SAM and DUNS numbers.

**Intergovernmental Review:** This solicitation (“funding opportunity”) **is not** subject to [Executive Order 12372](#). (In completing the SF-424, an applicant is to answer question 19 by selecting the response that the “Program is not covered by E.O. 12372.”)

## 2. Project Abstract

Applications should include a high-quality project abstract that summarizes the proposed project in 400 words or less. Project abstracts should be—

- written for a general public audience.
- submitted as a separate attachment with “Project Abstract” as part of its file name.
- single-spaced, using a standard 12-point font (such as Times New Roman) with 1-inch margins.

As a separate attachment, the project abstract will **not** count against the page limit for the program narrative.

## 3. Program Narrative

The program narrative should be double-spaced, using a standard 12-point font (Times New Roman preferred); have no less than 1-inch margins; and should not exceed 25 pages. Pages should be numbered. If the program narrative fails to comply with these length-related restrictions, OVC may consider such noncompliance in peer review and in final award decisions. The following sections should be included as part of the program narrative<sup>4</sup>:

- a. **Statement of the Problem:** Must describe the need for the project and provide a clear statement of how funding will support the project’s value to the victims’ field.

---

<sup>4</sup> For information on subawards (including the details on proposed subawards that should be included in the application), see “Budget and Associated Documentation” under [Section D. Application and Submission Information](#).

- b. **Project Design and Implementation:** Must describe the project strategy and discuss how the strategy will address the identified problems and support the goals and objectives. The applicant's strategy or design must include a description of project phases, tasks, activities, and staff responsibilities, as well as clear descriptions of the interim deliverables and final products. The applicant must develop a week-by-week time-task plan that identifies major activities and deliverables for the duration of the project period and the designation of staff responsibility. Submission of financial and progress reports must be included in the time-task plan. As a separate attachment, the time-task plan is not subject to the page limitations of the program narrative. For further guidance on OVC's publication process, OVC's Publishing Guidelines for Print and Web Media is available online at [www.ovc.gov/publications/infores/pubguidelines/welcome.html](http://www.ovc.gov/publications/infores/pubguidelines/welcome.html).

The applicant should also describe the dissemination plan for the final product. Applicants should provide recommendations for dissemination of any products. If those recommendations include nontraditional groups, such as organizations or agencies not likely to be included in victim assistance or criminal justice mailing lists, then applicants should be prepared to provide specific names and contact information. Upon OVC approval, the final products resulting from this cooperative agreement will be uploaded to the OVC website.

- c. **Capabilities and Competencies:** The application must include a clear description of the applicant's management structure and, if the application is for continuation funding, must document the organization's success in implementing previous phases of the project. Applicants must include a description of the current and proposed professional staff members' unique qualifications that will enable them to fulfill their grant responsibilities. The applicant must describe how the program will be managed and include an organizational chart or information describing the roles and responsibilities of key organizational and functional components and personnel. The applicant must also include a list of personnel responsible for managing and implementing the major stages of the project. If additional staff will be hired to complete the project, the applicant should identify the selection criteria. Applicants should also provide detailed information about staff committed to working on the project contingent upon receipt of funding.
- d. **Plan for Collecting the Data Required for This Solicitation's Performance Measures:** OJP will require each successful applicant to submit regular performance data that demonstrate the results of the work carried out under the award (see "[General Information about Post-Federal Award Reporting Requirements](#)" in [Section F. Federal Award Administration Information](#)). The performance data directly relate to the goals, objectives, and deliverables identified under "Goals, Objectives, and Deliverables" in [Section A. Program Description](#).

Applicants should visit OJP's performance measurement page at [www.ojp.gov/performance](http://www.ojp.gov/performance) to view the specific reporting requirements for this grant program.

Performance measures for this solicitation are listed in [Appendix A: Performance Measures Table](#).

The application should demonstrate the applicant's understanding of the performance data reporting requirements for this grant program and detail how the applicant will gather the required data should it receive funding.

Please note that applicants are **not** required to submit performance data with the application. Performance measures information is included as an alert that successful applicants will be required to submit performance data as part of the reporting requirements under an award.

### **Note on Project Evaluations**

An applicant that proposes to use award funds through this solicitation to conduct project evaluations should be aware that certain project evaluations (such as systematic investigations designed to develop or contribute to generalizable knowledge) may constitute "research" for purposes of applicable DOJ human subjects' protection regulations. However, project evaluations that are intended only to generate internal improvements to a program or service, or are conducted only to meet OJP's performance measure data reporting requirements, likely do not constitute "research." Each applicant should provide sufficient information for OJP to determine whether the particular project it proposes would either intentionally or unintentionally collect and/or use information in such a way that it meets the DOJ definition of research that appears at 28 C.F.R. Part 46 ("Protection of Human Subjects").

"Research," for purposes of human subjects' protection for OJP-funded programs, is defined as "a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge." 28 C.F.R. 46.102(d).

For additional information on determining whether a proposed activity would constitute research for purposes of human subjects protection, applicants should consult the decision tree in the "Research and the protection of human subjects" section of the "[Requirements related to Research](#)" webpage of the "[Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2018 Awards](#)," available through the OJP Funding Resource Center at <https://ojp.gov/funding/Explore/SolicitationRequirements/index.htm>. Every prospective applicant whose application may propose a research or statistical component also should review the "Data Privacy and Confidentiality Requirements" section on that webpage.

## **4. Budget and Associated Documentation**

The Budget Detail Worksheet and the Budget Narrative are now combined in a single document collectively referred to as the Budget Detail Worksheet. The Budget Detail Worksheet is a user-friendly, fillable, Microsoft Excel-based document designed to calculate totals. Additionally, the Excel workbook contains worksheets for multiple budget years that can be completed as necessary. **All applicants should use the Excel version when completing the proposed budget in an application, except in cases where the applicant does not have access to Microsoft Excel or experiences technical difficulties.** If an applicant does not have access to Microsoft Excel or experiences technical difficulties with the Excel version, then the applicant should use the 508-compliant accessible Adobe Portable Document Format (PDF) version.

Both versions of the Budget Detail Worksheet can be accessed at <https://ojp.gov/funding/Apply/Forms/BudgetDetailWorksheet.htm>.

**a. Budget Detail Worksheet**

The Budget Detail Worksheet should provide the detailed computation for each budget line item, listing the total cost of each and showing how it was calculated by the applicant. For example, costs for personnel should show the annual salary rate and the percentage of time devoted to the project for each employee paid with grant funds. The Budget Detail Worksheet should present a complete itemization of all proposed costs.

For questions pertaining to budget and examples of allowable and unallowable costs, see the DOJ Grants Financial Guide at <https://ojp.gov/financialguide/DOJ/index.htm>.

**b. Budget Narrative**

The budget narrative should thoroughly and clearly describe every category of expense listed in the Budget Detail Worksheet. OJP expects proposed budgets to be complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities).

An applicant should demonstrate in its budget narrative how it will maximize cost effectiveness of award expenditures. Budget narratives should generally describe cost effectiveness in relation to potential alternatives and the goals of the project. For example, a budget narrative should detail why planned in-person meetings are necessary, or how technology and collaboration with outside organizations could be used to reduce costs, without compromising quality.

The budget narrative should be mathematically sound and correspond clearly with the information and figures provided in the Budget Detail Worksheet. The narrative should explain how the applicant estimated and calculated all costs, and how those costs are necessary to the completion of the proposed project. The narrative may include tables for clarification purposes, but need not be in a spreadsheet format. As with the Budget Detail Worksheet, the budget narrative should describe costs by year.

**c. Information on Proposed Subawards (if any), and on Proposed Procurement Contracts (if any)**

Applicants for OJP awards typically may propose to make *subawards*. Applicants also may propose to enter into procurement *contracts* under the award.

Whether an action—for federal grants administrative purposes—is a subaward or procurement contract is a critical distinction as significantly different rules apply to subawards and procurement contracts. If a recipient enters into an agreement that is a subaward of an OJP award, specific rules apply—many of which are set by federal statutes and DOJ regulations; others by award conditions. These rules place particular responsibilities on an OJP recipient for any subawards the OJP recipient may make. The rules determine much of what the written subaward agreement itself must require or provide. The rules also determine much of what an OJP recipient must do both before and after it makes a subaward. If a recipient enters into an agreement that is a procurement contract under an OJP award, a substantially different set of federal rules applies.

OJP has developed the following guidance documents to help clarify the differences between subawards and procurement contracts under an OJP award and outline the compliance and reporting requirements for each. This information can be accessed online at <https://ojp.gov/training/training.htm>.

- [Subawards under OJP Awards and Procurement Contracts under Awards: A Toolkit for OJP Recipients](#)
- [Checklist to Determine Subrecipient or Contractor Classification](#)
- [Sole Source Justification Fact Sheet and Sole Source Review Checklist](#)

In general, the central question is the relationship between what the third party will do under its agreement with the recipient and what the recipient has committed (to OJP) to do under its award to further a public purpose (e.g., services the recipient will provide, products it will develop or modify, research or evaluation it will conduct). If a third party will provide some of the services the recipient has committed (to OJP) to provide, will develop or modify all or part of a product the recipient has committed (to OJP) to develop or modify, or will conduct part of the research or evaluation the recipient has committed (to OJP) to conduct, OJP will consider the agreement with the third party a *subaward* for purposes of federal grants administrative requirements.

This will be true **even if** the recipient, for internal or other nonfederal purposes, labels or treats its agreement as a procurement, a contract, or a procurement contract. Neither the title nor the structure of an agreement determines whether the agreement—for purposes of federal grants administrative requirements—is a *subaward* or is instead a procurement *contract* under an award. The substance of the relationship should be given greater consideration than the form of agreement between the recipient and the outside entity.

## 1. Information on proposed subawards

A recipient of an OJP award may not make subawards ("subgrants") unless the recipient has specific federal authorization to do so. Unless an applicable statute or DOJ regulation specifically authorizes (or requires) subawards, a recipient must have authorization from OJP before it may make a subaward.

A particular subaward may be authorized by OJP because the recipient included a sufficiently detailed description and justification of the proposed subaward in the Program Narrative, Budget Detail Worksheet, and Budget Narrative as approved by OJP. If, however, a particular subaward is not authorized by federal statute or regulation, and is not approved by OJP, the recipient will be required, post-award, to request and obtain written authorization from OJP before it may make the subaward.

If an applicant proposes to make one or more subawards to carry out the federal award and program, the applicant should (1) identify (if known) the proposed subrecipient(s), (2) describe in detail what each subrecipient will do to carry out the federal award and federal program, and (3) provide a justification for the subaward(s), with details on pertinent matters such as special qualifications and areas of expertise. Pertinent information on subawards should appear not only in the Program Narrative, but also in the Budget Detail Worksheet and Budget Narrative.

## 2. Information on proposed procurement contracts (with specific justification for proposed noncompetitive contracts over \$150,000)

Unlike a recipient contemplating a subaward, a recipient of an OJP award generally does not need specific prior federal authorization to enter into an agreement that—for purposes of federal grants administrative requirements—is considered a procurement

contract, **provided that** (1) the recipient uses its own documented procurement procedures and (2) those procedures conform to applicable federal law, including the Procurement Standards of the (DOJ) Part 200 Uniform Requirements (as set out at 2 C.F.R. 200.317–200.326). The Budget Detail Worksheet and Budget Narrative should identify proposed procurement contracts. (As discussed above, subawards must be identified and described separately from procurement contracts.)

The Procurement Standards in the Part 200 Uniform Requirements, however, reflect a general expectation that agreements that (for purposes of federal grants administrative requirements) constitute procurement “contracts” under awards will be entered into on the basis of full and open competition. All noncompetitive (sole source) procurement contracts must meet the OJP requirements outlined at <https://ojp.gov/training/subawards-procurement.htm>. If a proposed procurement contract would exceed the simplified acquisition threshold—currently \$150,000—a recipient of an OJP award may not proceed without competition unless and until the recipient receives specific advance authorization from OJP to use a noncompetitive approach for the procurement. An applicant that (at the time of its application) intends—without competition—to enter into a procurement contract that would exceed \$150,000 should include a detailed justification that explains to OJP why, in the particular circumstances, it is appropriate to proceed without competition.

If the applicant receives an award, sole source procurements that do not exceed the Simplified Acquisition Threshold (currently \$150,000) must have written justification for the noncompetitive procurement action maintained in the procurement file. If a procurement file does not have the documentation that meets the criteria outlined in 2 C.F.R. 200, the procurement expenditures may not be allowable. Sole source procurement over the \$150,000 Simplified Acquisition Threshold must have prior approval from OJP using a Sole Source GAN. Written documentation justifying the noncompetitive procurement must be submitted with the GAN and maintained in the procurement file.

**d. Pre-Agreement Costs**

For information on pre-agreement costs, see [Section B. Federal Award Information](#).

**5. Indirect Cost Rate Agreement (if applicable)**

Indirect costs may be charged to an award only if—

- (a) the recipient has a current (unexpired), federally approved indirect cost rate; or
- (b) the recipient is eligible to use, and elects to use, the “de minimis” indirect cost rate described in the Part 200 Uniform Requirements, as set out at 2 C.F.R. 200.414(f).

An applicant with a current (unexpired) federally approved indirect cost rate is to attach a copy of the indirect cost rate agreement to the application. An applicant that does not have a current federally approved rate may request one through its cognizant federal agency, which will review all documentation and approve a rate for the applicant entity, or, if the applicant’s accounting system permits, applicants may propose to allocate costs in the direct cost categories.

For assistance with identifying the appropriate cognizant federal agency for indirect costs, please contact the Office of the Chief Financial Officer (OCFO) Customer Service Center at

800–458–0786 or at [ask.ocfo@usdoj.gov](mailto:ask.ocfo@usdoj.gov). If DOJ is the cognizant federal agency, applicants may obtain information needed to submit an indirect cost rate proposal at <https://www.ojp.gov/funding/Apply/Resources/IndirectCosts.pdf>.

Certain OJP recipients have the option of electing to use the “de minimis” indirect cost rate. An applicant that is eligible to use the “de minimis” rate that wishes to use the “de minimis” rate should attach written documentation to the application that advises OJP of both (1) the applicant’s eligibility to use the “de minimis” rate, and (2) its election to do so. If an eligible applicant elects the “de minimis” rate, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. The “de minimis” rate may no longer be used once an approved federally negotiated indirect cost rate is in place. (No entity that ever has had a federally approved negotiated indirect cost rate is eligible to use the “de minimis” rate.) For the “de minimis” rate requirements (including on eligibility to elect to use the rate), see the Part 200 Uniform Requirements, at 2 C.F.R. 200.414(f).

## **6. Financial Management and System of Internal Controls Questionnaire (including applicant disclosure of high-risk status)**

Every OJP applicant (other than an individual applying in his or her personal capacity) is required to download, complete, and submit the OJP Financial Management and System of Internal Controls Questionnaire (Questionnaire) at <https://ojp.gov/funding/Apply/Resources/FinancialCapability.pdf> as part of its application. The Questionnaire helps OJP assess the financial management and internal control systems, and the associated potential risks of an applicant as part of the pre-award risk assessment process.

The Questionnaire should be completed only by financial staff most familiar with the applicant's systems, policies, and procedures to ensure that the correct responses are recorded and submitted to OJP. The responses on the Questionnaire directly impact the pre-award risk assessment and should accurately reflect the applicant's financial management and internal control system at the time of the application. The pre-award risk assessment is only one of multiple factors and criteria used in determining funding. However, a pre-award risk assessment that indicates that an applicant poses a higher risk to OJP may affect the funding decision and/or result in additional reporting requirements, monitoring, special conditions, withholding of award funds, or other additional award requirements.

Among other things, the form requires each applicant to disclose whether it currently is designated “high risk” by a federal grantmaking agency outside of DOJ. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the applicant’s past performance, or other programmatic or financial concerns with the applicant. If an applicant is designated high risk by another federal awarding agency, the applicant must provide the following information:

- The federal awarding agency that currently designates the applicant high risk
- The date the applicant was designated high risk
- The high-risk point of contact at that federal awarding agency (name, phone number, and email address)
- The reasons for the high-risk status, as set out by the federal awarding agency

OJP seeks this information to help ensure appropriate federal oversight of OJP awards. An applicant that is considered “high risk” by another federal awarding agency is not automatically disqualified from receiving an OJP award. OJP may, however, consider the information in award decisions, and may impose additional OJP oversight of any award under this solicitation (including through the conditions that accompany the award document).

## **7. Disclosure of Lobbying Activities**

Each applicant must complete and submit this information. An applicant that expends any funds for lobbying activities is to provide all of the information requested on the form Disclosure of Lobbying Activities (SF-LLL) posted at <https://ojp.gov/funding/Apply/Resources/Disclosure.pdf>. An applicant that does not expend any funds for lobbying activities is to enter “N/A” in the text boxes for item 10 (“a. Name and Address of Lobbying Registrant” and “b. Individuals Performing Services”).

## **8. Additional Attachments**

### **a. Applicant Disclosure of Pending Applications**

Each applicant is to disclose whether it has (or is proposed as a subrecipient under) any pending applications for federally funded grants or cooperative agreements that (1) include requests for funding to support the same project being proposed in the application under this solicitation, and (2) would cover any identical cost items outlined in the budget submitted to OJP as part of the application under this solicitation. The applicant is to disclose applications made directly to federal awarding agencies, and also applications for subawards of federal funds (e.g., applications to state agencies that will subaward (“subgrant”) federal funds).

OJP seeks this information to help avoid inappropriate duplication of funding. Leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate duplication.

Each applicant that has one or more pending applications as described above is to provide the following information about pending applications submitted within the past 12 months:

- The federal or state funding agency
- The solicitation name/project name
- The point-of-contact information at the applicable federal or state funding agency

Federal or State Funding Agency	Solicitation Name/Project Name	Name/Phone/Email for Point of Contact at Federal or State Funding Agency
DOJ/Office of Community Oriented Policing Services (COPS)	COPS Hiring Program	Jane Doe, 202/000-0000; jane.doe@usdoj.gov
Health and Human Services/Substance Abuse and Mental Health Services Administration	Drug-Free Communities Mentoring Program/ North County Youth Mentoring Program	John Doe, 202/000-0000; john.doe@hhs.gov

Each applicant should include the table as a separate attachment to its application. The file should be named "Disclosure of Pending Applications." The applicant's Legal Name on the application must match the entity named on the disclosure of pending applications statement.

Any applicant that does not have any pending applications as described above is to submit, as a separate attachment, a statement to this effect: "[Applicant Name on SF-424] does not have (and is not proposed as a subrecipient under) any pending applications submitted within the past 12 months for federally funded grants or cooperative agreements (or for subawards under federal grants or cooperative agreements) that request funding to support the same project being proposed in this application to OJP and that would cover any identical cost items outlined in the budget submitted as part of this application."

**b. Resumes of Key Personnel**

Applicants must provide resumes of key personnel with their applications. For positions that are vacant, provide job descriptions outlining roles and responsibilities and the selection criteria for the proposed new positions (required).

**c. Time-Task Plan**

Applicants must submit a detailed week-by-week time-task plan for all aspects of the development of the 2019 NCVRW Resource Guide. The plan shall assume a delivery date of no later than November 30, 2018, for all products. However, the actual date may vary depending on the date of the grant award.

**d. Disclosure of Process Related to Executive Compensation**

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation

arrangements, however, may be available if the nonprofit organization satisfied certain rules set out in Internal Revenue Service (IRS) regulations with regard to its compensation decisions.

Each applicant nonprofit organization must state at the time of its application (question 9c in the "OJP Financial Management and System of Internal Controls Questionnaire" located at <https://ojp.gov/funding/Apply/Resources/FinancialCapability.pdf> and mentioned earlier) whether or not the applicant entity believes (or asserts) that it currently satisfies the requirements of 26 C.F.R. 53.4958-6 (which relate to establishing or invoking a rebuttable presumption of reasonableness of compensation of certain individuals and entities).

A nonprofit organization that states in the questionnaire that it believes (or asserts) that it has satisfied the requirements of 26 C.F.R. 53.4958-6 must then disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process used by the applicant nonprofit organization to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons").

At a minimum, the disclosure must describe in pertinent detail (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant organization maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the IRS for use in connection with 26 C.F.R. 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Applicant nonprofit organizations should note that following receipt of an appropriate request, OJP may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

## **How To Apply**

Applicants must register in and submit applications through [Grants.gov](https://www.grants.gov), a primary source to find federal funding opportunities and apply for funding. Find complete instructions on how to register and submit an application at <https://www.grants.gov/web/grants/support.html>. Applicants that experience technical difficulties during this process should call the Grants.gov

Customer Support Hotline at **800-518-4726** or **606-545-5035**, which operates 24 hours a day, 7 days a week, except on federal holidays.

**Important Grants.gov update.** Grants.gov has updated its application tool. The legacy PDF application package has been phased out and was retired December 31, 2017. Grants.gov Workspace is now the standard application method for applying for grants. OJP applicants should familiarize themselves with the Workspace option now. For complete information and instructions on using Workspace (and other changes), go to the Workspace Overview page at <https://www.grants.gov/web/grants/applicants/workspace-overview.html>.

Registering with Grants.gov is a one-time process; however, **processing delays may occur, and it can take several weeks** for first-time registrants to receive confirmation of registration and a user password. OJP encourages applicants to **register several weeks before** the application submission deadline. In addition, OJP urges applicants to submit applications at least 72 hours prior to the application due date, to allow time for the applicant to receive validation messages or rejection notifications from Grants.gov, and to correct in a timely fashion any problems that may have caused a rejection notification.

OJP strongly encourages all prospective applicants to sign up for Grants.gov email notifications regarding this solicitation at <https://www.grants.gov/web/grants/manage-subscriptions.html>. If this solicitation is cancelled or modified, individuals who sign up with Grants.gov for updates will be automatically notified.

**Browser Information:** Grants.gov was built to be compatible with Internet Explorer. For technical assistance with Google Chrome, or another browser, contact Grants.gov Customer Support.

**Note on Attachments:** Grants.gov has two categories of files for attachments: “mandatory” and “optional.” OJP receives all files attached in both categories. Attachments are also labeled to describe the file being attached (e.g., Project Narrative, Budget Narrative, Other, etc.) Please ensure that all required documents are attached in the correct Grants.gov category and are labeled correctly. Do not embed “mandatory” attachments within another file.

**Note on File Names and File Types:** Grants.gov only permits the use of certain specific characters in the file names of attachments. Valid file names may include only the characters shown in the table below. Grants.gov rejects any application that includes an attachment(s) with a file name that contains any characters not shown in the table below. Grants.gov forwards successfully submitted applications to the OJP Grants Management System (GMS).

Characters	Special Characters		
Upper case (A-Z)	Parenthesis ( )	Curly braces { }	Square brackets [ ]
Lower case (a-z)	Ampersand (&)*	Tilde (~)	Exclamation point (!)
Underscore ( _ )	Comma ( , )	Semicolon ( ; )	Apostrophe ( ' )
Hyphen ( - )	At sign ( @ )	Number sign ( # )	Dollar sign ( \$ )
Space	Percent sign ( % )	Plus sign ( + )	Equal sign ( = )
Period ( . )			

**\*When using the ampersand (&) in XML, applicants must use the “&amp;” format.**

**GMS does not accept executable file types as application attachments.** These disallowed file types include, but are not limited to, the following extensions: “.com,” “.bat,” “.exe,” “.vbs,” “.cfg,” “.dat,” “.db,” “.dbf,” “.dll,” “.ini,” “.log,” “.ora,” “.sys,” and “.zip.” GMS may reject applications with files that use these extensions. It is important to allow time to change the type of file(s) if the application is rejected.

All applicants are required to complete the following steps:

### **Unique Entity Identifier (DUNS Number) and System for Award Management**

Every applicant entity must comply with all applicable SAM and unique entity identifier (currently a DUNS number) requirements. SAM is the repository for certain standard information about federal financial assistance applicants, recipients, and subrecipients. A DUNS number is a unique nine-digit identification number provided by the commercial company Dun and Bradstreet. More detailed information about SAM and the DUNS number is in the numbered sections below.

If an applicant entity has not fully complied with the applicable SAM and unique identifier requirements by the time OJP makes award decisions, OJP may determine that the applicant is not qualified to receive an award and may use that determination as a basis for making the award to a different applicant.

### **Applying as an Individual**

An individual who wishes to apply in his/her personal capacity should search Grants.gov for funding opportunities for which individuals are eligible to apply. Use the Funding Opportunity Number (FON) to register. (An applicant applying as an individual must comply with all applicable Grants.gov individual registration requirements.)

Enter the FON at <https://apply07.grants.gov/apply/IndCPRegister> to complete the registration form and create a username and password for Grants.gov. (An applicant applying as an individual should complete all steps below except 1, 2, and 4.)

### **Registration and Submission Steps**

- 1. Acquire a unique entity identifier (currently, a DUNS number).** In general, the Office of Management and Budget requires every applicant for a federal award (other than an individual) to include a "unique entity identifier" in each application, including an application for a supplemental award. Currently, a DUNS number is the required unique entity identifier.

This unique entity identifier is used for tracking purposes, and to validate address and point-of-contact information for applicants, recipients, and subrecipients. It will be used throughout the life cycle of an OJP award. Obtaining a DUNS number is a free, one-time activity. Call Dun and Bradstreet at 866-705-5711 to obtain a DUNS number or apply online at <https://www.dnb.com/>. A DUNS number is usually received within 1-2 business days.

- 2. Acquire or maintain registration with SAM.** Any applicant for an OJP award creating a **new** entity registration in SAM.gov must provide an original, signed, notarized letter stating that the applicant is the authorized Entity Administrator before the registration will be

activated. To learn more about this process change, read the FAQs at <https://www.gsa.gov/about-us/organization/federal-acquisition-service/office-of-systems-management/integrated-award-environment-iae/sam-update>. Information about the notarized letter is posted at [https://www.fsd.gov/fsd.gov/answer.do?sysparm\\_kbid=d2e67885db0d5f00b3257d321f96194b&sysparm\\_search=kb0013183](https://www.fsd.gov/fsd.gov/answer.do?sysparm_kbid=d2e67885db0d5f00b3257d321f96194b&sysparm_search=kb0013183).

All applicants for OJP awards (other than individuals) with current registration in SAM must maintain current registrations in the SAM database. Applicants will need the authorizing official of the organization and an Employer Identification Number (EIN). An applicant must be registered in SAM to successfully register in Grants.gov. Each applicant must **update or renew its SAM registration at least annually** to maintain an active status. SAM registration and renewal can take as long as 10 business days to complete (2 weeks more to acquire an EIN).

An application cannot be successfully submitted in Grants.gov until Grants.gov receives the SAM registration information. Once the SAM registration/renewal is complete, **the information transfer from SAM to Grants.gov can take as long as 48 hours**. OJP recommends that the applicant register or renew registration with SAM as early as possible.

Information about SAM registration procedures can be accessed at [www.SAM.gov](http://www.SAM.gov).

- 3. Acquire an Authorized Organization Representative (AOR) and a Grants.gov username and password.** Complete the AOR profile on Grants.gov and create a username and password. An applicant entity's "unique entity identifier" (DUNS number) must be used to complete this step. For more information about the registration process for organizations and other entities, go to <https://www.grants.gov/web/grants/applicants/organization-registration.html>. Individuals registering with Grants.gov should go to <https://www.grants.gov/web/grants/applicants/registration.html>.
- 4. Acquire confirmation for the AOR from the E-Business Point of Contact (E-Biz POC).** The E-Biz POC at the applicant organization must log into Grants.gov to confirm the applicant organization's AOR. The E-Biz POC will need the Marketing Partner Identification Number (MPIN) password obtained when registering with SAM to complete this step. Note that an organization can have more than one AOR.
- 5. Search for the funding opportunity on Grants.gov.** Use the following identifying information when searching for the funding opportunity on Grants.gov. The Catalog of Federal Domestic Assistance (CFDA) number for this solicitation is 16.582 titled "Crime Victim Assistance/Discretionary Grants," and the funding opportunity number is OVC-2018-14081.
- 6. Access Opportunity and Application Package from Grants.gov.** Select "Apply for Grants" under the "Applicants" column. Enter your email address to be notified of any changes to the opportunity package before the closing date. Click the Workspace icon to use Grants.gov Workspace.
- 7. Submit a valid application consistent with this solicitation by following the directions in Grants.gov.** Within 24–48 hours after submitting the electronic application, the applicant should receive two notifications from Grants.gov. The first will confirm the receipt of the application. The second will state whether the application has been validated and

successfully submitted, or whether it has been rejected due to errors, with an explanation. It is possible to first receive a message indicating that the application is received, and then receive a rejection notice a few minutes or hours later. Submitting an application well ahead of the deadline provides time to correct the problem(s) that caused the rejection. **Important:** OJP urges each applicant to submit its application **at least 72 hours prior** to the application due date, to allow time to receive validation messages or rejection notifications from Grants.gov, and to correct in a timely fashion any problems that may have caused a rejection notification. Applications must be successfully submitted through Grants.gov by 11:59 p.m. eastern time on May 30, 2018.

Go to <https://www.grants.gov/web/grants/applicants/organization-registration.html> for further details on DUNS numbers, SAM, and Grants.gov registration steps and timeframes.

### **Note: Application Versions**

If an applicant submits multiple versions of the same application, OJP will review only the most recent system-validated version submitted.

### **Experiencing Unforeseen Grants.gov Technical Issues**

An applicant that experiences unforeseen Grants.gov technical issues beyond its control that prevent it from submitting its application by the deadline must contact the Grants.gov Customer Support Hotline at <https://www.grants.gov/web/grants/support.html> or the SAM Help Desk (Federal Service Desk) at <https://www.fsd.gov/fsd-gov/home.do> to report the technical issue and receive a tracking number. The applicant must email the OVC contact identified in the Contact Information section on the title page **within 24 hours after the application deadline** to request approval to submit its application after the deadline. The applicant's email must describe the technical difficulties, and must include a timeline of the applicant's submission efforts, the complete grant application, the applicant's DUNS number, and any Grants.gov Help Desk or SAM tracking number(s).

**Note: OJP does not automatically approve requests to submit a late application.** After OJP reviews the applicant's request, and contacts the Grants.gov or SAM Help Desks to verify the reported technical issues, OJP will inform the applicant whether the request to submit a late application has been approved or denied. If OJP determines that the untimely application submission was due to the applicant's failure to follow all required procedures, OJP will deny the applicant's request to submit its application.

The following conditions generally are insufficient to justify late submissions:

- Failure to register in SAM or Grants.gov in sufficient time. (SAM registration and renewal can take as long as 10 business days to complete. The information transfer from SAM to Grants.gov can take up to 48 hours.)
- Failure to follow Grants.gov instructions on how to register and apply as posted on its website.

## E. Application Review Information

### Review Criteria

Applications that meet basic minimum requirements will be evaluated by peer reviewers using the following review criteria.

1. Statement of the Problem (20%)
2. Project Design and Implementation (40%)
3. Capabilities and Competencies (20%)
4. Plan for Collecting the Data Required for This Solicitation's Performance Measures (5%)
5. Budget (10%): complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities). Budget narratives should demonstrate generally how applicants will maximize cost effectiveness of grant expenditures. Budget narratives should demonstrate cost effectiveness in relation to potential alternatives and the goals of the project.<sup>5</sup>
6. Other: Resumes of Key Personnel and Time-Task Plan (5%)

### Review Process

OJP is committed to ensuring a fair and open process for making awards. OVC reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation.

Peer reviewers will review the applications submitted under this solicitation that meet basic minimum requirements. For purposes of assessing whether an application meets basic minimum requirements and should proceed to further consideration, OJP screens applications for compliance with those requirements. Although specific requirements may vary, the following are common requirements applicable to all solicitations for funding under OJP programs:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items designated as "critical elements."
- The applicant must not be identified in SAM as excluded from receiving federal awards.

For a list of the critical elements for this solicitation, see "What an Application Should Include" under [Section D. Application and Submission Information](#).

Peer review panels will evaluate, score, and rate applications that meet basic minimum requirements. OVC may use internal peer reviewers, external peer reviewers, or a combination, to assess applications on technical merit using the solicitation's review criteria. An external peer reviewer is an expert in the subject matter of a given solicitation who is not a current DOJ employee. An internal reviewer is a current DOJ employee who is well-versed or has expertise in the subject matter of this solicitation. Peer reviewers' ratings and any resulting recommendations are advisory only, although reviewer views are considered carefully. Other important considerations for OVC include geographic diversity, strategic priorities, and available

<sup>5</sup> Generally speaking, a reasonable cost is a cost that, in its nature or amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the costs.

funding, as well as the extent to which the Budget Detail Worksheet and Budget Narrative accurately explain project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant that has one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$150,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System (FAPIIS)).

**Important note on FAPIIS:** An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider any such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

The evaluation of risks goes beyond information in SAM, however. OJP itself has in place a framework for evaluating risks posed by applicants for competitive awards. OJP takes into account information pertinent to matters such as—

1. applicant financial stability and fiscal integrity;
2. quality of the applicant's management systems, and the applicant's ability to meet prescribed management standards, including those outlined in the DOJ Grants Financial Guide;
3. applicant's history of performance under OJP and other DOJ awards (including compliance with reporting requirements and award conditions), and awards from other federal agencies;
4. reports and findings from audits of the applicant, including audits under the Part 200 Uniform Requirements; and
5. applicant's ability to comply with statutory and regulatory requirements, and to effectively implement other award requirements.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may take into account not only peer review ratings and OVC recommendations, but also other factors as indicated in this section.

## **F. Federal Award Administration Information**

### **Federal Award Notices**

Award notifications will be made by September 30, 2018. OJP sends award notifications by email through GMS to the individuals listed in the application as the point of contact and the authorizing official (E-Biz POC and AOR). The email notification includes detailed instructions on how to access and view the award documents, and steps to take in GMS to start the award

acceptance process. GMS automatically issues the notifications at 9:00 p.m. eastern time on the award date.

For each successful applicant, an individual with the necessary authority to bind the applicant will be required to log in; execute a set of legal certifications and a set of legal assurances; designate a financial point of contact; thoroughly review the award, including all award conditions; and sign and accept the award. The award acceptance process requires physical signature of the award document by the authorized representative and the scanning and submission of the fully executed award document to OJP.

### **Administrative, National Policy, and Other Legal Requirements**

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions, and all applicable requirements of federal statutes, and regulations, and executive orders (including applicable requirements referred to in the assurances and certifications executed in connection with award acceptance). OJP strongly encourages prospective applicants to review information on post-award legal requirements and common OJP award conditions **prior** to submitting an application.

Applicants should consult the “[Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2018 Awards](#),” available in the OJP Funding Resource Center at <https://ojp.gov/funding/index.htm>. In addition, applicants should examine the following two legal documents, as each successful applicant must execute both documents before it may receive any award funds. (An applicant is not required to submit these documents as part of an application.)

- [Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements](#)
- [Certified Standard Assurances](#)

The webpages accessible through the “[Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2018 Awards](#)” are intended to give applicants for OJP awards a general overview of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP grants and cooperative agreements awarded in FY 2018. Individual OJP awards typically also will include additional award conditions. Those additional conditions may relate to the particular statute, program, or solicitation under which the award is made; to the substance of the funded application; to the recipient's performance under other federal awards; to the recipient's legal status (e.g., as a for-profit entity); or to other pertinent considerations.

As stated above, OVC expects that it will make any award under this solicitation in the form of a cooperative agreement. Cooperative agreements include a condition in the award document that sets out the nature of the “substantial federal involvement” in carrying out the award and program. Generally stated, under OJP cooperative agreement awards, responsibility for the day-to-day conduct of the funded project rests with the recipient. OJP, however, may have substantial involvement in matters such as substantive coordination of technical efforts and site selection, and review and approval of project work plans, research designs, data collection instruments, and major project-generated materials. In addition, OJP often indicates in the award terms and conditions that it may redirect the project if necessary.

In addition to an award condition that sets out the nature of the anticipated “substantial federal involvement” in the award, cooperative agreements awarded by OJP include an award condition that requires specific reporting in connection with conferences, meetings, retreats, seminars, symposia, training activities, or similar events funded under the award.

## **General Information About Post-Federal Award Reporting Requirements**

In addition to the deliverables described in [Section A. Program Description](#), any recipient of an award under this solicitation will be required to submit the following reports and data.

Required reports. Recipients typically must submit quarterly financial reports, semiannual progress reports, final financial and progress reports, and, if applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions. Future awards and fund drawdowns may be withheld if reports are delinquent. (In appropriate cases, OJP may require additional reports.)

Awards that exceed \$500,000 will include an additional condition that, under specific circumstances, will require the recipient to report (to FAPIIS) information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either the OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Additional information on this reporting requirement appears in the text of the award condition posted on the OJP webpage at <https://ojp.gov/funding/FAPIIS.htm>.

Data on performance measures. In addition to required reports, each award recipient also must provide data that measure the results of the work done under the award. To demonstrate program progress and success, and to assist DOJ in fulfilling its responsibilities under the Government Performance and Results Act of 1993 (GPRA), Public Law 103-62, and the GPRA Modernization Act of 2010, Public Law 111-352, OJP will require any award recipient, post-award, to provide performance data as part of regular progress reporting. Successful applicants will be required to access OJP’s performance measurement page at <https://ojp.gov/performance/> to view the specific reporting requirements for this grant program. Performance measures are also listed as an [appendix](#).

## **H. Other Information**

### **Freedom of Information Act and Privacy Act (5 U.S.C. §§ 552 and 552a)**

All applications submitted to OJP (including all attachments to applications) are subject to the federal Freedom of Information Act (FOIA) and to the Privacy Act. By law, DOJ may withhold information that is responsive to a request pursuant to FOIA if DOJ determines that the responsive information either is protected under the Privacy Act or falls within the scope of one of nine statutory exemptions under FOIA. DOJ cannot agree in advance of a request pursuant to FOIA not to release some or all portions of an application.

In its review of records that are responsive to a FOIA request, OJP will withhold information in those records that plainly falls within the scope of the Privacy Act or one of the statutory exemptions under FOIA. (Some examples include certain types of information in budgets, and names and contact information for project staff other than certain key personnel.) In appropriate circumstances, OJP will request the views of the applicant/recipient that submitted a responsive document.

For example, if OJP receives a request pursuant to FOIA for an application submitted by a nonprofit or for-profit organization or an institution of higher education, or for an application that involves research, OJP typically will contact the applicant/recipient that submitted the application and ask it to identify—quite precisely—any particular information in the application that the applicant/recipient believes falls under a FOIA exemption, the specific exemption it believes applies, and why. After considering the submission by the applicant/recipient, OJP makes an independent assessment regarding withholding information. OJP generally follows a similar process for requests pursuant to FOIA for applications that may contain law enforcement sensitive information.

### **Provide Feedback to OJP**

To assist OJP in improving its application and award processes, OJP encourages applicants to provide feedback on this solicitation, the application submission process, and/or the application review process. Provide feedback to [OJPSolicitationFeedback@usdoj.gov](mailto:OJPSolicitationFeedback@usdoj.gov).

**IMPORTANT:** This email is for feedback and suggestions only. OJP does **not** reply from this mailbox to messages it receives in this mailbox. Any prospective applicant that has specific questions on any program or technical aspect of the solicitation **must** use the appropriate telephone number or email listed on the front of this document to obtain information. These contacts are provided to help ensure that prospective applicants can directly reach an individual who can address specific questions in a timely manner.

If you are interested in being a reviewer for other OJP grant applications, please email your resume to [ojpprsupport@usdoj.gov](mailto:ojpprsupport@usdoj.gov). (Do not send your resume to the OJP Solicitation Feedback email account.) **Note:** Neither you nor anyone else from your organization or entity can be a peer reviewer in a competition in which you or your organization/entity has submitted an application.

### Appendix A: Performance Measures Table

OVC may, in certain cases, provide additional funding in future years to awards made under this solicitation, through continuation awards. In the event additional funding is provided, the baseline metrics for the initial year of award will inform percentage increases that OVC anticipates the grantee will meet in subsequent years. These percentage increases will be provided during the issuance of the continuation award.
