# *PA 1: Evidence-Based, Trauma-Informed Services for Victims of Human Trafficking*

## **Objectives:**

- Improve the quality & quantity of evidence-based and trauma-informed services for HT victims.
- Provide TA to increase the capacity of mental health service providers to develop evidence-based trauma interventions and other trauma-informed services.
- Provide direct services for all human trafficking victims.

# *PA 1: Evidence-Based, Trauma-Informed Services for Victims of Human Trafficking*

- Identify promising practices and the delivery of evidence-based, trauma-informed clinical, mental health, and substance abuse services within a system of care, as clinically necessary, for victims of human trafficking.
- Implement interventions deemed promising or effective.
- Fund new/existing mental health and substance abuse services for trafficking victims.
- Provide ongoing clinical supervision and guidance to staff on how to use evidence-based trauma interventions with adult, adolescent, and child victims of human trafficking.

# PA 1: Structure

- ***New programs:*** use up to 12 months for organizational assessment, planning, and staff training. The remaining period, program implementation.
- ***Existing programs:*** address identified challenges or gaps through enhancements to the trauma-informed approach.

# *PA 2: Address Barriers to Identify and Assist Labor Trafficking Victims*

---

## **Objectives:**

- Support community capacity to identify and assist victims of labor trafficking, across all disciplines, through a victim-centered and collaborative approach.
- Address individual needs of labor trafficking victims through the provision of a comprehensive array of services.
- Provide direct services for labor trafficking victims, addressing barriers that inhibit the identification and reporting of labor trafficking.

# PA 2: Project Goals

---

- Develop innovative projects aimed at increasing identification of labor trafficking victims and enhance service delivery.
