A. Program Description

Overview
Under this solicitation, the Office for Victims of Crime (OVC) will award each eligible state and territory victim assistance program an annual grant to support eligible crime victim assistance programs in that state or territory. Eligible crime victim assistance programs are those that are “operated by a public agency or nonprofit organization, or a combination of such agencies or organizations or of both such agencies and organizations, and provide services to victims of crime,” and that meet the other requirements set out in 34 U.S.C. § 20103(b)(1).

Statutory Authority: This grant program is authorized and funded by the Victims of Crime Act (VOCA) of 1984 (34 U.S.C. § 20103).

Program-Specific Information
For federal FY 2020, the amount available to OVC for obligation from the Crime Victims Fund is $2.641 billion.

OVC recognizes that while states and territories have the sole discretion for how grant funds will be spent, they must meet the requirements of VOCA, the Victim Assistance Program Rule, OVC program guidance, and the DOJ Grants Financial Guide. States and territories determine which organizations and agencies will receive subgrants.

OVC issued the final rule for its VOCA Formula Victim Assistance Grant Program in August 2016. The final rule provides clarity in the programs that states and territories are able to support, such as various forms of assistance and VOCA-funded projects to support transitional housing for survivors. Questions and answers regarding the rule are available on the OVC website at www.ovc.gov/VOCA-Administrators/VOCA-Rule-FAQs-508.pdf.

Goals, Objectives, and Deliverables
Funds under this program shall be used by states and territories to support eligible crime victim assistance programs that provide direct services to crime victims, with the following exception: States and territories may retain up to 5 percent of their total grant for administrative and training purposes. All states and most territories receive an annual VOCA victim assistance grant. Each state, the District of Columbia, the U.S. Virgin Islands, and Puerto Rico receive a base amount of $500,000. The territories of Northern Mariana Islands, Guam, and American Samoa each receive a base amount of $200,000. Additional funds are distributed to states and territories based on population, according to the U.S. Census Bureau.

The goals, objectives, and deliverables are directly related to the performance measures that demonstrate the results of the work completed, as discussed under What an Application Should Include.

Evidence-Based Programs or Practices
OJP strongly emphasizes the use of data and evidence in policy making and program development in criminal justice, juvenile justice, and crime victim services. For additional
information and resources on evidence-based programs or practices, see the OJP Grant Application Resource Guide.

Information Regarding Potential Evaluation of Programs and Activities
Applicants should note that OJP may conduct or support an evaluation of the programs and activities funded under this solicitation. For additional information, see the OJP Grant Application Resource Guide section, entitled, “Information Regarding Potential Evaluation of Programs and Activities.”

D. Application and Submission Information

What an Application Should Include

See the “Application Elements and Formatting Instructions” section of the OJP Grant Application Resource Guide for information on what happens to an application that does not contain all the specified elements. (This solicitation expressly modifies the “Application Elements and Formatting Instructions” section of the OJP Grant Application Resource Guide by not incorporating paragraph two of that section (referring to nonresponsive applications or applications missing critical elements not “[proceeding] to peer review”).)

1. Application for Federal Assistance (Standard Form (SF)-424)

The SF-424 is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. See the OJP Grant Application Resource Guide for additional information on completing the SF-424.

Intergovernmental Review: This solicitation (“funding opportunity”) is not subject to Executive Order 12372. (In completing the SF-424, an applicant is to answer question 19 by selecting the response that the “Program is not covered by E.O. 12372.”)

2. A Statement Regarding Use of Administrative and Training Funds

Applicants should provide OVC with a general statement about how they intend to use the 5 percent of the award amount allowed for administration and training. See 28 C.F.R. 94.107.

- it will allocate a minimum of 40 percent of the total grant to the three priority victim categories (sexual assault, domestic violence, and child abuse) and underserved victims of violent crime by subawarding at least 10 percent to each of four categories. Underserved victims of violent crime are designated by the state administering agency by the type of crime or demographic characteristics of the victim, or both. This requirement may be waived by the OVC director upon a showing of good cause by the applicant. See 28 C.F.R. 94.104.
