- Q/A

Purpose/Background

- This project continues the Department's mission by providing resources to VOCA Victim Assistance grantees who will be able to support the training and technical assistance needs of victim service providers in their states.
- Similar funds were awarded in FY 2015 on a noncompetitive formula basis to VOCA Victim Assistance recipients.
- For FY 2018, grant funds will be awarded on a competitive basis to ensure obligated grant dollars are used effectively.

Eligibility

- Eligible applicants are limited to state¹ administering agencies for the VOCA Victim Assistance Program Formula Grants, authorized by 34 U.S.C. § 20103(a) and (b).
- Outside organizations are also eligible to apply when such an application is made in partnership with the applicant's VOCA Victim Assistance Program State Administering Agency.

¹ The term "state" includes the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, and any other territory or possession of the United States. 34 U.S.C. § 20103(d)(1)

Goal

- To provide funding to VOCA Victim Assistance formula grant recipients to facilitate training and technical assistance of victim service providers.

Objectives

- Conduct a comprehensive statewide training needs assessment, or review and update a recently completed comprehensive statewide training needs assessment in consultation with key stakeholders;
- Develop a strategic plan for training state victim assistance service providers and others who work with crime victims;
- Implement a system for receiving, tracking, and responding to requests for training and technical assistance, including an evaluation process that allows OVC to assess user satisfaction of services; and
- Provide training and technical assistance, either directly or via subawards, to victim assistance service providers and other organizations that work with crime victims.

Critical Application Elements

- Program Narrative, including
 - Description of the Issue;
 - Project Design and Implementation;
