

Responding to Elder Abuse: A Discussion Guide **is not yet available.**

We expect to release it online at this location in winter 2010. The discussion guide will supplement the [*Responding to Elder Abuse DVD series*](#):

- *What Community Corrections Should Know* to recognize and respond to elder abuse, neglect, or exploitation encountered in their work with offenders.
- *What Judges and Court Personnel Should Know* about the special needs of older abuse victims and successful court-based elder abuse initiatives.
- *What Law Enforcement Should Know* when faced with elder abuse in homes or institutions, locating referral resources, reporting, and working with other organizations.
