

IOWA CVC Language regarding “Eligible, Nothing to Pay,” or ELLGNP Applications

Eligible Claims; No Compensable Losses: Applications from victim/claimants who have not sustained an economic loss at the time of filing an application, will be deemed "**Eligible - Nothing to Pay,**" or ELLGNP. Future expenses not paid by collateral sources may be submitted as supplemental bills for payment consideration.

Applications from eligible victim/claimants who have sustained economic loss at the time of filing but for which we have not obtained sufficient documentation to determined payment of expenses will also be deemed “Eligible-Nothing to Pay,” or ELLGNP. Expenses will be considered as supplemental payments are received and payments will be considered supplemental payments on the application.
